Connecting to Midsummer

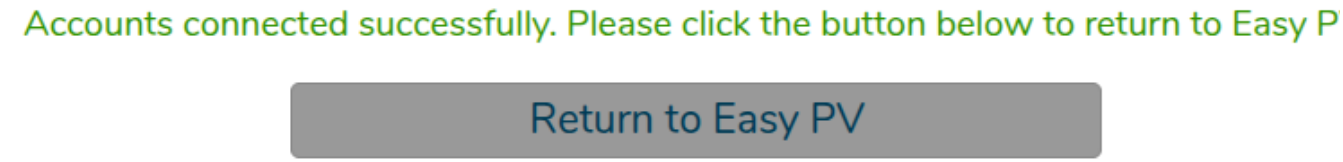

Connecting your Easy PV and Midsummer account will allow Easy PV to display your correct prices. This means you do not have to make changes to your goods prices in the financial task and you can be confident your jobs are being priced correctly.

Connecting Easy PV and Midsummer

1. Navigate to **My account** > **Preferences** > **Connect to Midsummer**
2. Click `Connect` and you will be redirected to Midsummer to log in.
3. Once you are logged into the account you'd like to connect, click `Yes, connect these accounts`

4. Then click `Return to Easy PV`

5. Your account will then refresh and your wholesale prices will apply

> **Note**: For Easy PV Pro teams, each member will need to connect their wholesale account for discounts to apply consistently.
