

# Who is Midsummer?

Easy PV is brought to you by Midsummer's in-house development team. [Midsummer](#) is one of the UK's

leading distributors of solar PV, batteries, EV chargers and

Heat Pump systems. With over 20 years of experience in the industry, our wholesale distribution and digital tools allow us to support you from design to installation.

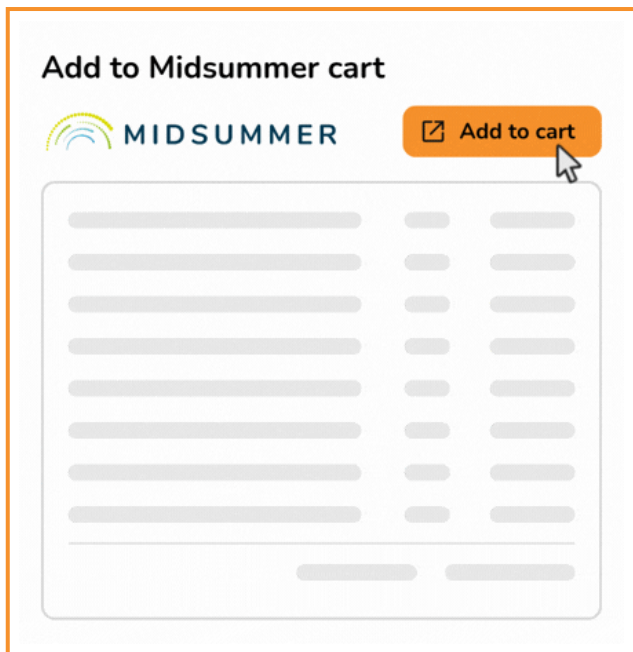

- **National reach, local support:** Over 150 staff across multiple sites in Cambridge, Glasgow and Leeds, plus a subsidiary in Dublin.
- **Fast, accurate logistics:** We offer next-day delivery and maintain over 99% picking accuracy on our dedicated vehicles.
- **Technical expertise:** Our team is technically savvy and includes former installers. We provide free technical support and training.
- **Specialist sales teams:** We have dedicated teams to support customers across C&I, high volume sales, residential and off grid projects.
- **Competitive pricing:** We offer best-in-market pricing across our entire range.

## Get the most out of your account

Whether you're a regular customer or just getting started, linking your account to Easy PV is the best way to simplify your work.

Easy PV generates a complete kit list based on your design, from the panels and inverters down to specific mounting and electrical components. You can see the kit list on the project **overview** page for each of your projects.

### Add to cart in one-click

Just click **Add to cart** and we'll take you to the Midsummer Wholesale website and load all the products into your cart.

You can then:

- Place an order.
- Save cart as a quote to come back to later.
- Add or remove items and change quantities.
- Combine saved quotes to order kit for multiple projects.

### Connecting your account

To make sure your pricing is accurate when designing, you can link your Midsummer and Easy PV accounts.

- **If you already have a Midsummer account**, just [follow these steps](#).
  - **Don't have an account yet?** [Apply here](#) to see our full range of kit and unlock trade-only pricing.
  - **Have an account but haven't used it lately:** Get in touch with our team and we'll make sure you're getting the best pricing we can offer. [Email our sales team](#) or call 01223851535.
